Case No. 2:13-CV-01907-APG-NJK

**ORDER FOR STATUS REPORT
REGARDING MEDIATION**

15 In the parties' July 2015 stipulation, they indicated they were going to attend a mediation
16 in August 2015. ECF No. 103 at 2. It appears that the mediation was unsuccessful because the
17 parties have continued with summary judgment briefing. However, the parties have never
18 advised whether the mediation took place or has been rescheduled. The parties also referred to
19 further settlement efforts in another stipulation. ECF No. 137 at 3. Before the court expends
20 resources addressing the parties' numerous summary judgment motions, the parties shall file a
21 status report regarding the mediation, including whether it occurred or is scheduled for the future,
22 and whether any of the pending motions have been rendered moot or the issues narrowed either
23 by a mediation or other settlement efforts.

24 IT IS THEREFORE ORDERED that the parties shall file a joint status report regarding
25 mediation and whether any of the pending summary judgment motions are moot or the issues
26 narrowed on or before June 6, 2016.

27 DATED this 27th day of May, 2016.
